All,

Making sure you have seen the email that went to ECOS, ASTHO, ASDWA, and ACWA. Your Secretary/Commissioner will also receive this directly from our Regional Administrator's Office. Please let me, Denisse or Brian Smith know if you have any questions.

Thanks

Dear ECOS, ASTHO, ASDWA, and ACWA –

As we mentioned in our last Wednesday's briefing, we wanted to be sure you received copies of the materials EPA has been preparing in advance of Wednesday's PFAS Health Advisory Announcement. We appreciate you continuing to hold the embargo on these materials and ask that you only forward along the attachments to your respective memberships. Tomorrow morning, we will be sending along an additional invitation for you to meet with our Office of Water team on Thursday, June 16th so that we can continue our strong partnership. Please do not hesitate to let me know if you have any questions or concerns that I can assist with.

Best,

John
